JUNIOR SOFTWARE ENGINEER

Motivated and eager to learn software developer with a strong foundation in programming, hands-on project experience, and a passion for solving complex problems. I have worked on various projects involving Python, Kotlin, Android, and Java, which have sharpened my skills in both front-end and back-end development. I thrive in collaborative environments and am excited to contribute to projects that challenge me to grow professionally and personally.

KEY COMPETENCIES

Problem-solving

Project Management

Collaboration and Communication

Android Programming

Python

HTML, CSS, JavaScript

Java

Database (SQL)

Graphic Designing

EXPERIENCE

UE Society of Computer Engineering Students

2024-2025

VP in Creatives and Communication

As the Vice President of Creatives and Communication for UE SCPES, I am responsible for managing and overseeing the organization's visual identity. This includes crafting and curating all publication materials, designing social media content, and ensuring consistent and engaging page messages. My role focuses on effectively communicating the organization's vision and initiatives while maintaining a strong, cohesive brand presence across all platforms.

UE ARMS

2023- Present

Member

The University of The East Automation Robotics Mechatronics Society (UE ARMS) is a student organization focused on advancing knowledge and skills in automation, robotics, and mechatronics. UE ARMS provides a platform for students to engage in hands-on projects, workshops, and competitions, fostering innovation and technical expertise

UE Jam Sessions

2022-2023

Year Representative

As a Year Representative for UE Jam Sessions, I serve as the primary liaison between my cohort and the organization, facilitating communication and engagement. I coordinate and promote events, encourage participation, and ensure that the interests and feedback of my year group are represented in organizational planning.

EDUCATION

Bachelor of Science in Computer Engineering

University of the East - Manila, (2022 - Present)

Science Technology Engineering and Mathematics

University of the East - Manila, (2020-2022)

Fiore Del Carmelo School

(2016-2020)

AWARDS AND CERTIFICATES

Exemplary Performance Award

University of the East

Top 10 Most Outstanding Computer Engineering Students

University of the East, CpE Department

CpE Technological Conference 2024

University of the East, SCpES
